DEDICATION

To the Reverend
Instructors, who so willingly
sacrificed their time to give
us a sound basis of Catholic
principle and practice, there-
by preparing us for life in a
country whose constitution safe-
guards religious rights, the Senior

JUNIORS

147 girls participated in the various events of the Junior Track & Field competition. The girls were represented by the following members of the Junior Track & Field Committee: Rohan Stoltman.

Their first public

Early in the year the Junior Senior girls gathered in the gymnasium to compete in the track & field events. There was one girl from each class who participated. Catherine A.

That there would be a competition they presented their annual program, part of a competitive contest conducted under the direction of the Student Council.

SOPHOMORES

Freshman year was a time of adjustment for many students. But for others, it was a period of great personal growth. A number of students found their place in various clubs and organizations. Some participated in sports, while others focused on academic activities. The Sophomore year brought new challenges and opportunities. Many students took advantage of the school's extensive extracurricular program. The year culminated in the annual Senior Class Picnic, which was held at a local park. The picnic was a great success, with many students attending and having a good time.

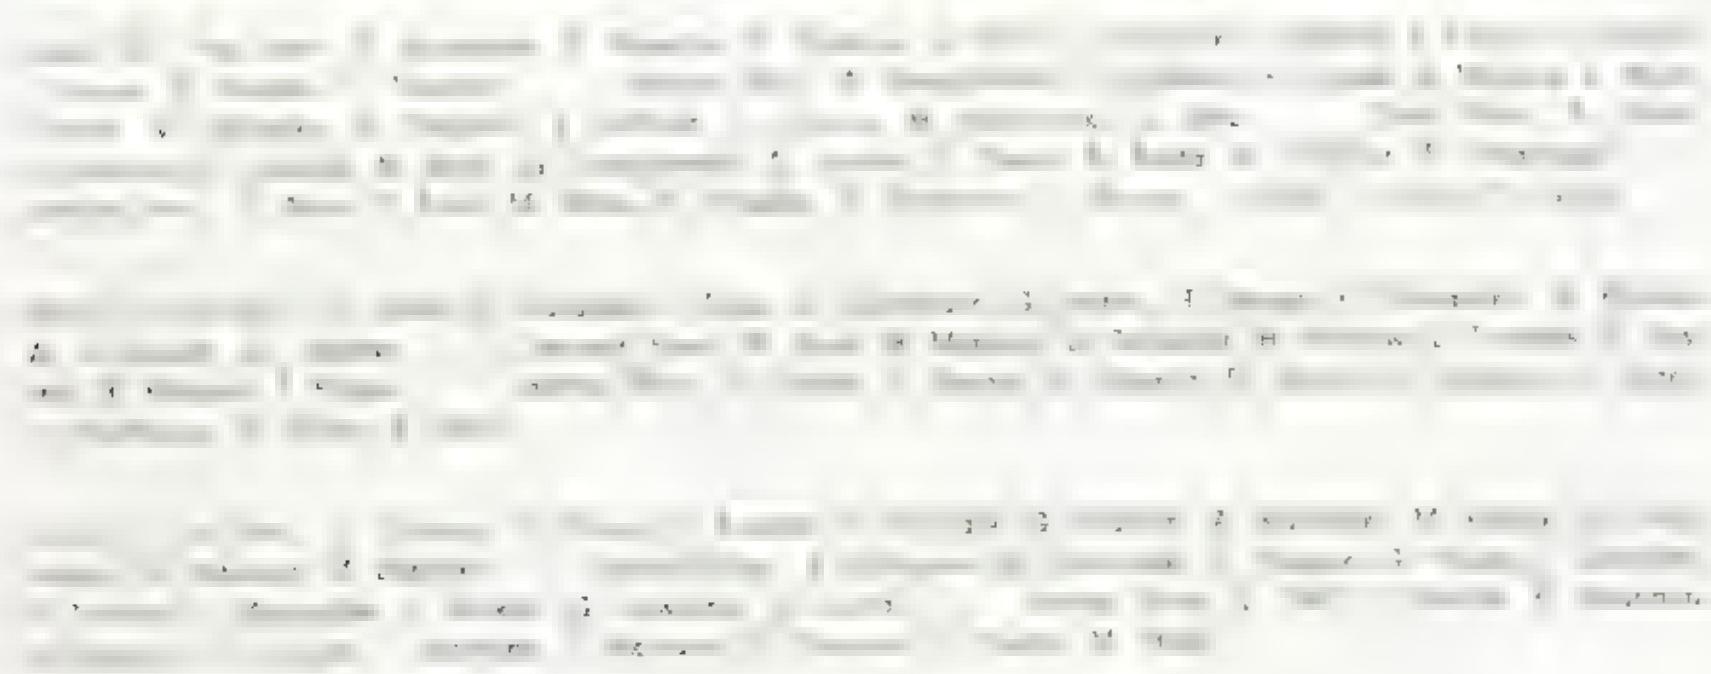

FRESHMEN

The 3rd year of the Freshmen class was organized by the Freshmen Class Officers. The officers were: President, Mrs. E. C. Williams; Vice-President, Mrs. W. H. Williams; Secretary, Mrs. J. W. Williams; Treasurer, Mrs. J. W. Williams; and Auditor, Mrs. J. W. Williams. The Freshmen class officers were: President, Mr. W. H. Williams; Vice-President, Mr. W. H. Williams; Secretary, Mr. W. H. Williams; Treasurer, Mr. W. H. Williams; and Auditor, Mr. W. H. Williams.

Only Ed Poslusny and Gil Stoltman will return as the backbone of next year's squad. Harry Nyocz, Art Kaszubowski, Jerry Burkhardt, Al Karolczyk, and Jerry Hemmerich have donned the Messmer uniform for the last time. Much credit for the team's wonderful showing must be accorded Coach Dermody, who has built up hockey into one of the major sports on the Milwaukee sports curriculum.

A tie with St. John ruined their chances to win the championship. Only a one point defeat at the hands of Pius X put them in taking the A tie with St. John ruined their chances to win the championship.

Five boys were honored on the All-American football second team. Captain Florian J. Husky was selected first on the first squad. Frank Granitz, Bob Masters and Alex Gradian were also chosen on the honor squads. Frank Barnett, Bob Masters, and Alex Gradian were placed on the honor squads. Barnett led the league in scoring with 31 points. Close behind him was

Barnett who garnered 31 points to take second place.

Captain Posluszny, Frank Granitz, Ed Musler, Alex Gradian, Bob Leonard, Hank Blaszczuk, Ed Calteaux, Len Seeman, Bob Carney, Harry Nycz, Milo Tobin, Ed Kowalewski, and Frank Reischel will not return for the next year. Among the outstanding men coming back is Bob Masters. Much credit must go to Len Seeman and Ed Calteaux for their steady play throughout the entire season. They were always in there fighting no matter how tough the going became. Although they were missing from the grandstand they were invaluable.

Close games were lost to south Division, the season's opener, and to Pio Nono. The defeat at the hand of the Blue Wave in the final game, the margin of victory was a single extra point. It was very evident that the Blue Wave grididers took over second place.

Winning five while losing nine games, the bucketeers had a fair season. Although they lost more games than they won, they scored almost as many points as their opponents. They garnered a total of 344 points to their opponents' 361.

The varsity cagers did almost at will in defeating St. Pius XI twice. In both games they displayed a highly coordinated offensive attack. However they looked very bad in several instances. The first game was won by the Varsity 54-40. The second game was won by the Varsity 52-40. Both games were played at the High School. The Varsity team had the following scores: W. H. Smith 15, C. E. Johnson 14, G. L. Williams 12, J. W. Jackson 10, W. C. Jones 8, W. C. Johnson 6, and W. C. Williams 4. After keeping the ball for 45 minutes, the Varsity won only in the last minute of the game on a free throw.

Dick Collentine was the only player I know who did not play football. He was placed on the team that will go places.

BOXING

Bringing to a close the 1938 boxing season were crowned in the open and novice classes of the fourth annual boxing show. Three boys retained their crowns and three others won them for the first time. They were Jerry Longzio, Ray Orlowski, and Jerry Toschik. The other winners were: Tom Kowalski, Jim Shanahan, and John Weiss.

ment.

In the heavyweight class, Bob Masters was defeated by John Weiss in a slugfest. Masters had to give away too much weight to Weiss and tired in the third round. The bout in which the most science was displayed was in the 126 pound open class. Bob Shanahan and Jerry Toschik fought a close battle. Toschik emerged the winner by a close margin. Kenny Kowalski outpunched Don Ptar in the 112 pound novice class. In the 108 pound novice class, John Wetter did John Wetter.

SENIOR MATH

The Senior Math class was divided into two groups. One group studied the rule of the sun and the other the rule of the moon. In the first group, the students measured the angle of the sun's altitude at noon and calculated the angle of the moon's altitude at sunset. In the second group, the students measured the angle of the moon's altitude at sunset and calculated the angle of the sun's altitude at noon. The results were compared with the transit.

FATHER STEHLING'S FIRST GRADERS

3½ YEAR GRADUATES

LESTER AND LARRY

What DiMaggio is to the New York Yankees, what Jonson was to Boswell, what a mother is to a home, that is Simons and Larry Sossong.

In 1928, one year after the school was founded, Larry and Les were added to the personnel. Any one likes a clean, comfortable place in which to live. That's how these two men have kept the school. What would The Capitol staff have done without them when the Morrison Studio men came to take the pictures? How'd we ever have movies if Les didn't operate the machine for us? What would the football men do without the truck—and Les? What would happen to the school if Larry and Les didn't report on time every day?
